Additional Information

You must complete your registration with Illinois Employment Services before unemployment insurance benefits can be paid. Registration for work is a legal requirement for individuals who have applied for benefits. Unless deferred, Illinois claimants must register with **www.IllinoisJobLink.com**. Registering for work will help connect you with available jobs.

You must be Actively Seeking Employment.

If you search for work at **www.IllinoisJobLink.com** your work search efforts will automatically be maintained. Work search conducted outside of **www.IllinoisJobLink.com** may also be logged on a **Work Search Record** form (ADJ034F), which can be found at **www2.illinois.gov/ides/**.

Keep Your Work Search Records.

An initial determination that you were actively seeking work during a week for which you claimed benefits may be subject to later reconsideration. (The determination may be reconsidered even though you have been paid benefits or have since returned to work.)

To preserve evidence that you were actively seeking work, do not discard your written work search record for any week being claimed until one year has passed from the end of that week. Further, if there is an appeal pending regarding your active work search for a week, keep your written work search until there has been a final resolution of the matter.

If you were last employed by a temporary help firm, be sure to contact that firm each week in order to maintain your eligibility for benefits.

Report your return to work to IDES immediately. Employers are required to report all new hires to this agency. These reports are used to identify individuals who are collecting Unemployment Insurance benefits after they have returned to work. Failure to report your return to work or all gross wages earned during weeks covered by your certification will result in an overpayment of benefits and possibly a determination of fraud. If fraud is determined, consequences could include the imposition of penalty weeks, and prosecution for State benefit fraud.

The first eligible week of a new benefit year claim is a waiting week. **No benefits are paid for the waiting week.**

If your gross wages in any week are less than your weekly benefit amount, you may still be eligible to receive **partial benefits**.

You should receive the benefit payment approximately three days after you certify. Or, if your eligibility is in question, you will receive a response by mail within 10 business days after you certify.

A **debit card** is automatically issued for every new claim for Unemployment Insurance (UI) benefits. However, claimants may elect to receive benefits via **direct deposit** to their checking or savings account. **Direct deposit** is safe and efficient—you won't have to worry about losing your debit card and you won't need a PIN to access your funds, and there is no additional banking fee associated with direct deposit. **Direct deposits** can be established online at www.ides.illinois.gov

Under Federal guidelines, you may be identified as eligible for **Re-Employment Services** offered by various state and local organizations. If you are referred by IDES to any of these reemployment services, you are **required to participate** in those services, or your benefits may be suspended.

An **adjudication interview** may be required to determine your eligibility for benefits. If necessary, you will receive a notice by mail providing you with the date and time of a telephone interview. Failure to be available for the interview may affect your eligibility for benefits. If you cannot be available at the date and time of the scheduled interview, it is your responsibility to contact IDES using the change of interview form included with the notice.

You have the right to appeal any decision denying your benefits. If you have any questions about your appeal rights, contact IDES. If you filed an appeal, **continue to certify** for your weeks of unemployment even though you may not receive benefits until the appeal is decided.

The U.S. Postal Service will not forward IDES mail. You may **change your address, name or other information online at www2.illinois.gov/ides/** or you may call IDES Claimant Services at (800) 244-5631.

Unemployment Insurance is subject to State and Federal income taxes.

You may voluntarily elect to have either or both State and Federal income taxes deducted and withheld from your benefit payments. Withholding is pre-set at 10% for Federal and 4.95% for State of Illinois.

Your claim information is confidential under the law. We cannot give claim information to your spouse or other family members. However, pursuant to Section 1900 of the Unemployment Insurance Act, any information that you provide to the Department of Employment Security in connection with your claim may be shared with your former employers or their representatives.

Important Notices

WHY IDES COLLECTS AND USES SOCIAL SECURITY NUMBERS

The Illinois Department of Employment Security collects and uses social security numbers (SSNs) in the administration of the unemployment insurance and employment service programs. State and federal law require the Department to use SSNs for the purpose of verifying the identity of unemployment benefit claimants. SSNs are used in the administration of the employment service program to verify that unemployment benefit claimants have registered for work with the employment service, as required by law. The Department also uses SSNs in the development of aggregate statistics. The aggregate statistics do not identify individuals or disclose any SSNs. The Department complies with the strict requirements set forth in federal and state law for maintaining the confidentiality of SSNs and protecting against their unauthorized disclosure.

TRA ASSISTANCE BENEFITS

Workers who lose their jobs or who experience reduced work hours and wages as a result of increased imports or the shifting of their jobs to other countries may qualify for additional benefits under the federal Trade Act of 1974 and its amendments (Trade Act of 2002 or Trade and Globalization Adjustment Assistance Act 2009 or Trade Adjustment Assistance Extension Act of 2011 or Trade Adjustment Assistance Reauthorization Act of 2015.) The worker group must be certified as eligible by the United States Department of Labor. The benefits administered by IDES include income support, the Health Coverage Tax Credit and reemployment wage supplement for older workers.

EQUAL OPPORTUNITY IS THE LAW

The Illinois Department of Employment Security (IDES) administers programs authorized under the Wagner-Peyser Act (Employment Service) and Unemployment Insurance programs authorized under Title III of the Social Security Act. It is against the law for the Illinois Department of Employment Security (IDES), a recipient of federal financial assistance, to discriminate on the following bases: Against any individual in the United States, on the basis of race, age, color, religion, sex, national origin, disability, political affiliation or belief; and against any beneficiary of programs financially assisted under Title I of the Workforce Investment Act of 1998 (WIA), on the basis of the beneficiary's citizenship/status as a lawfully admitted immigrant authorized to work in the United States, or his or her participation in any WIA Title I-financially assisted program or activity.

IDES Must Not Discriminate in Any of the Following Areas:

Deciding who will be admitted, or have access, to any WIA Title I-financially assisted program or activity; providing opportunities in, or treating any person with regard to, such a program or activity; or making employment decisions in the administration of, or in connection with, such a program or activity.

What To Do If You Believe You Have Experienced Discrimination:

If you think that you have been subjected to discrimination under the "Employment Service" or "Unemployment Insurance" programs or activity, you may file a complaint within 180 days from the date of the alleged violation with either: The IDES Equal Opportunity Officer, Office of Equal Employment Opportunity/Affirmative Action, 33 S. State Street, Chicago, Illinois 60603- 2803 or: The Director of the Civil Rights Center (CRC) U.S. Department of Labor, 200 Constitution Avenue NW, Room N-4123, Washington, DC 20210

If you file your complaint with IDES, you must either wait until IDES issues a written Notice of Final Action, or until 90 days have passed (whichever is sooner), before filing with the Civil Rights Center (see address above).

If IDES does not give you a written Notice of Final Action within 90 days of the day on which you filed your complaint, you do not have to wait for IDES to issue that Notice before filing a complaint with CRC. However, you must file your CRC complaint within 30 days of the 90- day deadline (in other words, within 120 days after the day on which you filed your complaint with IDES).

If IDES does give you a written Notice of Final Action on your complaint, but you are dissatisfied with the decision or resolution, you may file a complaint with CRC. You must file your CRC complaint within 30 days of the date on which you received the IDES Notice of Final Action.

IDES is an equal opportunity employer and complies with all state and federal nondiscrimination laws in the administration of its programs. Auxiliary aids and services are available upon request to individuals with disabilities. Contact the Office Manager of the IDES office nearest you or the IDES Equal Opportunity Officer at (312) 793-9290 or TDD (888) 340-1007.
